

## CLINIX- The Patient Centered Medical Home™

CLINIX Health Services of Colorado, Inc. was the first physician practice in Colorado to achieve [NCQA recognition status as a Patient Centered Medical Home \(PPC-PCMH\)™](#) Recognition is from Oct. 30,2018-Oct. 30, 2019.

NCQA is a private, non-profit organization dedicated to improving health care quality.

The Patient-Centered Medical Home™ standards emphasize the use of systematic, patient-centered, coordinated care that supports access, communication and patient involvement.

This is important to you as a patient because:

- CLINIX is "patient-centered" – YOU are the most important person in the health care system. You are at the center of your health care. Your wants and needs are important in your health care plan.
- CLINIX is a "medical home" – You have a personal healthcare team that includes Clinix health care professionals, trusted friends or family members (if you wish), and - most importantly – YOU.
- CLINIX provides "coordinated and comprehensive care" - You are provided total health care which in addition to care for illness and injuries, includes preventive health care and personalized treatment plans.
