

Welcome Clinix' newest medical provider, □ Amy Breen, P.A.-C.

Credentials: Physician's Assistant
Specialty: Primary Care

Amy Breen was raised right here in Centennial, CO and is thrilled to be working in the community that shaped her.

She received her Bachelor's of Science from Colorado State University and then proceeded to move to rural Honduras. While there, she worked at a children's home for orphaned and abandoned children. She improved her Spanish fluency while also teaching English, singing, art, and Taekwondo classes.

She earned her master's degree in Physician Assistant Practice at Rosalind Franklin University in Chicago, IL and then decided it was time to return to Colorado.

Amy believes that education is the best thing she can do for her patients. She believes that the key to good medicine is a open, trusting relationship with her patients. She enjoys women's health, pediatric care, and preventive medicine.

In her free time, she enjoys spending time with her family, going to the movies, traveling to new places, biking, hiking, and attempting to make the perfect chocolate chip cookie.
