

## **Rachelle Webster, PA-C**

**Credentials: Physician Assistant, Certified (P.A.-C.)**

**Specialty: Family Medicine, Dermatology, Cosmetic Therapies, Medical Essential Oils, Women's Health, Sleep Disorders**

Rachelle practices traditional family medicine and treats a wide variety of medical problems. She believes in integrating Western therapy with alternative treatments, as well as practicing preventive medicine.

Rachelle has special training in dermatology, including the treatment of skin cancers, acne, warts, rashes, chronic skin conditions and performs the majority of skin biopsies and mole removals for CLINIX. She has trained with the top plastic surgeons in Denver in aesthetic techniques and has been performing Botox treatments for several years.

In addition, Rachelle has special training in aromatic medicine, and often prescribes medical essential oils and herbal supplements for certain medical conditions when appropriate.

Also, upon request, Rachelle will pray with her patients.
